- Lead effective and professional Parent-Teacher Conferences (PTCs) to communicate student progress and goals
- Meeting the regulatory requirements of the classroom

Leadership & Resource Development:

- Planning and implementing a developmentally appropriate curriculum that supports and stimulates each child's individual development using working experience, education, and community resources
- Ensuring the supervision, safety, and health of children always
- Creating, building, modeling, and supporting a respectful, responsive, and engaging learning/working environment.
- Providing support to classroom staff concerning appropriate early childhood practices on an informal, formal, and ongoing basis

Program Management & Assessment:

- Building positive relationships with families. (engaging and communicating verbally, electronically, physically)
- Maintaining a clean, safe, healthy, and positive environment by following all regularity practices and observing/interacting with students throughout the day to support their growth and development.
- Participate in St. Nicks Alliance ECC, St. Nicks Alliance program events such as open houses, family events, and curriculum night.
- Create and implement stimulating lesson plans promoting exploration, creativity, and discovery following the best practices using TSG (Creative Curriculum) for lesson activities and student observations/assessments
- Observe and assess student work/development on a quarterly basis using an authentic assessment system (TSG)

Safety & Supervision:

- Adhere to all St. Nicks Alliance, DOH, and DOE requirements regarding performance standards and safety, including fire drills, trips, gross motor activities, and a daily educational schedule
- Prepare for remote learning days, if needed
- Document and maintain student data and files.
- Create, monitor, and assess student growth and development
- Adapt lessons and activities to meet the child's needs, if applicable
- Participate in community walks, gross motor activities, and class trips
- Support assistant teacher in the maintenance and organization of the classroom including student attendance records, meal count, and class materials

Collaboration & Communication:

- Maintain positive and confidential communication with students and families
- Promote and model a positive welcoming and responsive learning and working environment
- Respect and celebrate multicultural, linguistic, social racial religious diversity amongst students, staff, and families
- Sharing information regarding student work in a monthly and strength-based manner. For example, through the use of monthly family curriculum letters, posting photos and narratives on Google Classroom at least three times a week, as well as preparing photos and descriptions for the monthly program-wide newsletter
- Sharing educational goals and student experiences on seven documentation boards on a monthly basis
- Attend and participate in all team and departmental meetings (monthly) family events (quarterly) and fundraising events (annually)
- Attend all required training and professional development workshops (15 + hours a year)
- Other duties assigned by the Early Childhood Director.

What we are looking for:

- Maintain a quality early education program understanding child development and addressing students' needs
- Genuine appreciation of working with young children and meeting the needs of the youngest members of the diverse and welcoming school community
- Demonstrate models and teach reasoning, respect, responsibility, flexibility, self-advocacy, and critical thinking/problem solving skills with humor and joy
- Meet the needs of the children, staff, families, our branch, and our community
- Key understanding and willingness to learn/adhere to child development, PKFCC, ECERS, CLASS, Creative Curriculum, TSG, and Pyramid Model
